NuGEMS INC 1

Set Up
Shuffle Bribe Deck and deal 2 cards to each player. Each player secretly chooses one and discards the other.

Shuffle the Gem Deck and deal 3 cards to each player.

Game Play
Each Turn:
1. Draw a Gem Card
2. Play a card OR discard and Redraw 3 cards

NuGEMS INC 3

Explosion Cards
These special card are played over top of an existing card preventing End Game Scoring of that card

After playing this card the player may then choose to play an additional card over the explosion.
Choosing to do so causes the player to lose their action next turn. The player still draws a card as usual.

NuGEMS INC 4

End Game
The game ends when a full 4 card by 4 card field has been played.

Scoring

Largest Gem

Score the largest connected gem of your gem color
4 Points/Connected card
2 disconnected pieces on the same card may be scored twice if connected through other cards

Most Gems

Score 1 Point/Disconnected gem of your gem color

Unbribed Player

Prevent any player from having 5+ points more then all other players
If the unbribed player does not succeed then the Player with the highest score Wins

NuGEMS INC 2

Placement Rules
Place cards adjacent to each other creating a space up to 4 cards by 4 cards

Thank you for trying out NuGEMS Inc Print and Play Edition.

For best results and a more durable Game we recommend printing on glossy Card stock.

Print front pages to their adjacent back Pages then carefully cut out all cards.

Due to printer alignment there may be Some drift of the artwork.

We hope you enjoy your copy of NuGEMS Inc and will support us on KickStarter for your own full copy soon!

Don't forget to find all our latest games And updates on our &

And at www.FlyingFish.Game
